Hudson Technologies, Inc SPE4A6-16-D-0226

# Oxygen (19.5 - 23.5%,) Carbon Monoxide (0.001% - 0.0999%) in balance Nitrogen

Safety Data Sheet 50280

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 05/30/2015 Version: 1.0

| <b>SECTION 1: Identification of the su</b>   | bstance/mixture and of the company/undertaking                                    |
|--|---|
| 1.1. Product identifier  |   |
| Product form   | : Mixture   |
| Product name   | : Oxygen (19.5 - 23.5%,) Carbon Monoxide (0.001% - 0.0999%) in balance Nitrogen   |
| MSA P/N  | : 459944, 461768, 461769, 473180, 477888, 710882, 806255, 809241, 809242, 809243, |
|  | 814978, 10027938, 10028048, 10028050, 10028052, 10028054, 10150609                |
| 1.2. Relevant identified uses of the sub   | stance or mixture and uses advised against  |
| Use of the substance/mixture   | : Test gas/Calibration gas.   |
| 1.3. Details of the supplier of the safety   | / data sheet  |
| U.S. Supplier<br>Mine Safety Appliances Company<br>1000 Cranberry Woods Drive<br>Cranberry Township<br>Pennsylvania U.S.A. 16066 |   |
| 1-800-MSA-2222<br>www.msanet.com/prism   |   |
| 1.4. Emergency telephone number  |   |
| Emergency number   | : CHEMTREC: 1-800-424-9300<br>Internationally: 1-703-527-3887                     |
| SECTION 2: Hazards identification  |   |
| 2.1. Classification of the substance or  | mixture   |
| GHS-US classification  |   |
| Compressed gas H280  |   |
| Full text of H-phrases: see section 16   |   |
| 2.2. Label elements  |   |
| GHS-US labeling  |   |
| Hazard pictograms (GHS-US)   |   |
| Signal word (GHS-US)   | GHS04<br>: Warning  |
| Hazard statements (GHS-US)   | : H280 - Contains gas under pressure; may explode if heated                       |
| Precautionary statements (GHS-US)  | : P410+P403 - Protect from sunlight. Store in a well-ventilated place             |
|  |   |
| 2.3. Other hazards   |   |
| No additional information available  |   |
| 2.4. Unknown acute toxicity (GHS US)   |   |
| Not applicable   |   |
| <b>SECTION 3: Composition/information</b>  | on on ingredients   |
| 3.1. Substance   |   |
|  |   |

Not applicable

3.2. Mixture

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Name            | Product identifier | %                   | GHS-US classification  |

| SECTION 4: First aid measures                        |  |
|--|--|
| 4.1. Description of first aid measures               |  |
| First-aid measures after inhalation                  | : Adverse effects not expected from this product.            |
| First-aid measures after skin contact                | : Adverse effects not expected from this product.            |
| First-aid measures after eye contact                 | : Adverse effects not expected from this product.            |
| First-aid measures after ingestion                   | : Ingestion is not considered a potential route of exposure. |
| 4.2. Most important symptoms and effect              | ts, both acute and delayed                                   |
| Symptoms/injuries after inhalation                   | : Adverse effects not expected from this product.            |
| Symptoms/injuries after skin contact                 | : Adverse effects not expected from this product.            |
| Symptoms/injuries after eye contact                  | : Adverse effects not expected from this product.            |
| Symptoms/injuries after ingestion                    | : Ingestion is not considered a potential route of exposure. |
| Symptoms/injuries upon intravenous<br>administration | : Not known.   |
| Chronic symptoms                                     | : Adverse effects not expected from this product.            |
| 4.3. Indication of any immediate medical             | attention and special treatment needed                       |

If you feel unwell, seek medical advice. If breathing is difficult, give oxygen.

| <b>SECTION 5: Firefighting measu</b> | res  |
|--------------------------------------|--|
| 5.1. Extinguishing media             |  |
| Suitable extinguishing media         | : Use extinguishing media appropriate for surrounding fire.  |
| Unsuitable extinguishing media       | : Do not use water jet to extinguish.  |
| 5.2. Special hazards arising from t  | he substance or mixture  |
| Fire hazard                          | : The product is not flammable.  |
| Explosion hazard                     | <ul> <li>Product is not explosive. Heat may build pressure, rupturing closed containers, spreading fire<br/>and increasing risk of burns and injuries.</li> </ul>  |
| Reactivity                           | : None known.  |
| 5.3. Advice for firefighters         |  |
| Firefighting instructions            | : In case of fire: Evacuate area. Fight fire remotely due to the risk of explosion. Use water spray<br>or fog for cooling exposed containers. Exercise caution when fighting any chemical fire.  |
| Protection during firefighting       | : Standard protective clothing and equipment (e.g., Self Contained Breathing Apparatus) for fire fighters. Do not enter fire area without proper protective equipment, including respiratory protection.                                 |
| Specific methods                     | <ul> <li>Exposure to fire may cause containers to rupture/explode. Continue water spray from protected<br/>position until container stays cool. Move containers away from the fire area if this can be done<br/>without risk.</li> </ul> |
| SECTION 6: Accidental release        | measures   |
| 6.1 Personal precautions protect     | ive equipment and emergency procedures   |

| 6.1. Personal precautions, protect | Personal precautions, protective equipment and emergency procedures |  |     |
|------------------------------------|---|--|-----|
| General measures                   | : Ensure adequate ventilation.                                      |  |     |
| 6.1.1. For non-emergency personne  | 91  |  |     |
| Protective equipment               | : Wear protective equipment cor                                     | sistent with the site emergency plan.  |     |
| Emergency procedures               | 1 0 ,   | closest safe route. Close doors and windows of<br>ed. Mark the danger area. Seal off low-lying are | ,   |
| 05/30/2015                         | FN (English US)   | SDS ID: 50280  | 2/1 |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 6.1.2. For emergency responders             |   |  |
|---|---|--|
| Protective equipment                        | Standard protective clothing and equipment (e.g., Self Contained Breathing Apparatus) for fire fighters. Equip cleanup crew with proper protection.   |  |
| Emergency procedures                        | Evacuate and limit access. Ventilate area.  |  |
| 6.2. Environmental precautions              |   |  |
| Try to stop release if safe to do so.       |   |  |
| 6.3. Methods and material for containment   | t and cleaning up   |  |
| For containment                             | Try to stop release if safe to do so.   |  |
| Methods for cleaning up                     | Dispose of this material and its container in accordance with local regulations.  |  |
| 6.4. Reference to other sections            |   |  |
| See also Sections 8 and 13.                 |   |  |
| SECTION 7: Handling and storage             |   |  |
| 7.1. Precautions for safe handling          |   |  |
| Additional hazards when processed           | Pressurized container: Do not pierce or burn, even after use. Use equipment rated for cylinder pressure. Close valve after each use and when empty.   |  |
| Precautions for safe handling               | Do not handle until all safety precautions have been read and understood. Use only outdoors or in a well-ventilated area.   |  |
| Safe handling of the gas receptacle         | Protect cylinders from physical damage; do not drag, roll, slide or drop. Do not remove or deface labels provided by the supplier for the identification of the cylinder contents.  |  |
| Safe use of the product                     | Only experienced and properly instructed persons should handle gases under pressure.<br>Consider pressure relief device(s) in gas installations. Ensure the complete gas system was (or<br>is regularily) checked for leaks before use. Do not remove or deface labels provided by the<br>supplier for the identification of the cylinder contents. Use only properly specified equipment<br>which is suitable for this product, its supply pressure and temperature. Contact your gas<br>supplier if in doubt. |  |
| Hygiene measures                            | Do not eat, drink or smoke when using this product.   |  |
| 7.2. Conditions for safe storage, including | any incompatibilities   |  |
| Technical measures                          | Comply with applicable regulations.   |  |
| Storage conditions                          | Do not expose to temperatures exceeding 52°C (125°F). Keep container closed when not in use. Protect cylinder from physical damage. Store in well ventilated area.  |  |
| Incompatible products                       | None known.   |  |
| Incompatible materials                      | Flammable materials.  |  |
| Storage area                                | Store away from heat. Store in a well-ventilated place.   |  |
| 7.3. Specific end use(s)                    |   |  |
| See Section 1.2.                            |   |  |
| SECTION 8: Exposure controls/perso          | nal protection  |  |

| 8.1. | Control parameters |  |
|------|--------------------|--|

| Oxygen (19.5 - 23.5%,) Carbon Monoxide (0.001% - 0.0999%) in balance Nitrogen |                                     |                |  |

| ACGIH   | Not applicable                      | Not applicable |  |
| OSHA  | Not applicable                      | Not applicable |  |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 8.2. Exposure controls           |  |
|----------------------------------|--|
| Appropriate engineering controls | <ul> <li>Ensure exposure is below occupational exposure limits. Provide adequate general and local<br/>exhaust ventilation. Systems under pressure should be regularly checked for leakages.<br/>Consider work permit system e.g. for maintenance activities.</li> </ul> |
| Hand protection                  | : Wear working gloves when handling gas containers. 29 CFR 1910.138: Hand Protection.  |
| Eye protection                   | : Wear safety glasses with side shields. 29 CFR 1910.133: Eye and Face Protection.   |
| Skin and body protection         | : Wear suitable protective clothing, e.g lab coats, coveralls or flame resistant clothing.   |
| Respiratory protection           | : None necessary during normal and routine operations. See Sections 5 & 6.   |
| Thermal hazard protection        | : None necessary during normal and routine operations.   |
| Environmental exposure controls  | : Refer to local regulations for restriction of emissions to the atmosphere. See section 13 for specific methods for waste gas treatment.  |
| Other information                | : Wear safety shoes while handling containers. 29 CFR 1910.136: Foot Protection.   |

#### SECTION 9: Physical and chemical properties

| 9.1. Information on basic physical and      | chemical properties                |
|---|------------------------------------|
| Physical state                              | : Gas                              |
| Appearance                                  | : Clear, colorless gas.            |
| Color                                       | : Colorless                        |
| Odor  | : Odorless                         |
| Odor threshold                              | : No data available                |
| pH  | : No data available                |
| Melting point                               | : No data available                |
| Freezing point                              | : No data available                |
| Boiling point                               | : No data available                |
| Flash point                                 | : Not applicable - not flammable   |
| Relative evaporation rate (butyl acetate=1) | : No data available                |
| Relative evaporation rate (ether=1)         | : Not applicable for gas-mixtures. |
| Flammability (solid, gas)                   | : See Section 2.1 and 2.2          |
| Explosion limits                            | : Not applicable - not flammable   |
| Explosive properties                        | : Not applicable - not flammable.  |
| Oxidizing properties                        | : Supports combustion.             |
| Vapor pressure                              | : No data available                |
| Relative density                            | : No data available                |
| Relative vapor density at 20 °C             | : No data available                |
| Molecular mass                              | : Not applicable for gas-mixtures. |
| Relative gas density                        | : Similar to air                   |
| Solubility                                  | : No data available                |
| Log Pow                                     | : No data available                |
| Log Kow                                     | : No data available                |
| Auto-ignition temperature                   | : No data available                |
| Decomposition temperature                   | : No data available                |
| Viscosity                                   | : No data available                |
| Viscosity, kinematic                        | : No data available                |
| Viscosity, dynamic                          | : No data available                |
| 9.2. Other information                      |                                    |

No additional information available

| SECT     | ION 10: Stability and reactivity |  |  |
|----------|----------------------------------|--|--|
| 10.1.    | 0.1. Reactivity                  |  |  |
| None kr  | nown.                            |  |  |
| 10.2.    | Chemical stability               |  |  |
| Stable u | Stable under normal conditions.  |  |  |

#### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 10.3. Possibility of hazardou              | is reactions   |
|--|--|
| Can form explosive mixtures with f         | lammable materials.  |
| 10.4. Conditions to avoid                  |  |
| None under recommended storage             | e and handling conditions (see section 7).                         |
| 10.5. Incompatible materials               |  |
| Flammable materials.                       |  |
| 10.6. Hazardous decomposit                 | tion products  |
| Under normal conditions of storage         | e and use hazardous decomposition products should not be produced. |
| SECTION 11: Toxicologica                   | al information   |
| 11.1. Information on toxicological effects |  |
|  |  |
| Likely routes of exposure : Inhalation     |  |
| Acute toxicity                             | : Not classified   |

| Acute toxicity                                     |  |
|--|--|
| Carbon monoxide (630-08-0)                         |  |
| LC50 inhalation rat (ppm)                          | 1880 ppm/4h  |
| ATE US (gases)                                     | 1880.000 ppmV/4h   |
| Oxygen (7782-44-7)                                 |  |
| LC50 inhalation rat (ppm)                          | 800000 ppm/4h  |
| Nitrogen (7727-37-9)                               |  |
| LC50 inhalation rat (ppm)                          | 820000 ppm/4h  |
| Skin corrosion/irritation                          | : Not classified   |
| Serious eye damage/irritation                      | : Not classified   |
| Respiratory or skin sensitization                  | : Not classified   |
| Germ cell mutagenicity                             | : Not classified   |
| Carcinogenicity                                    | : Not classified   |
| Reproductive toxicity                              | : Not classified   |
| Specific target organ toxicity (single exposure)   | : Not classified   |
| Specific target organ toxicity (repeated exposure) | : Not classified   |
| Aspiration hazard                                  | : Not classified   |
| Symptoms/injuries after inhalation                 | : Adverse effects not expected from this product.            |
| Symptoms/injuries after skin contact               | : Adverse effects not expected from this product.            |
| Symptoms/injuries after eye contact                | : Adverse effects not expected from this product.            |
| Symptoms/injuries after ingestion                  | : Ingestion is not considered a potential route of exposure. |
| Symptoms/injuries upon intravenous administration  | : Not known.   |
| Chronic symptoms                                   | : Adverse effects not expected from this product.            |
|  |  |

#### **SECTION 12: Ecological information**

12.1. Toxicity

No additional information available

# Operation Will not undergo hydrolysis. Not readily biodegradable. Not applicable for inorganic gases. Oxygen (7782-44-7) Persistence and degradability Persistence and degradability No ecological damage caused by this product.

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Nitrogen (7727-37-9)  |  |  |
|---|--|--|
| Persistence and degradability   | No ecological damage caused by this product.   |  |
| 2.3. Bioaccumulative potential  |  |  |
| Carbon monoxide (630-08-0)  |  |  |
| Log Pow   | 1.78   |  |
| Bioaccumulative potential   | Not expected to bioaccumulate due to the low log Kow (log Kow < 4). Refer to section 9.  |  |
| Oxygen (7782-44-7)  |  |  |
| Log Pow   | Not applicable for inorganic gases.  |  |
| Bioaccumulative potential   | No ecological damage caused by this product.   |  |
| Nitrogen (7727-37-9)  |  |  |
| Log Pow   | Not applicable for inorganic gases.  |  |
| Bioaccumulative potential   | No ecological damage caused by this product.   |  |
| 2.4. Mobility in soil   |  |  |
| Carbon monoxide (630-08-0)  |  |  |
| Ecology - soil  | Because of its high volatility, the product is unlikely to cause ground or water pollution.  |  |
| Oxygen (7782-44-7)  |  |  |
| Ecology - soil  | No ecological damage caused by this product.   |  |
| Nitrogen (7727-37-9)  |  |  |
| Ecology - soil  | No ecological damage caused by this product.   |  |
|   |  |  |
| 2.5. Other adverse effects  |  |  |
| ffect on ozone layer  | : No known effects from this product.  |  |
| ffect on the global warming   | : Contains greenhouse gas(es) not covered by 842/2006/EC.  |  |
| SECTION 13: Disposal consideration  | IS   |  |
| 3.1. Waste treatment methods  |  |  |
| Naste treatment methods   | : Contact supplier if guidance is required. Do not discharge into any place where its<br>accumulation could be dangerous. Ensure that the emission levels from local regulations or<br>operating permits are not exceeded.   |  |
| Vaste disposal recommendations  |  |  |
|   | : Refer to the CGA Pamphlet P-63 "Disposal of Gases" available at www.cganet.com for more guidance on suitable disposal methods.   |  |
|   | : Refer to the CGA Pamphlet P-63 "Disposal of Gases" available at www.cganet.com for more guidance on suitable disposal methods.   |  |
